

Dear Customer,

Thank you for the opportunity to introduce our company. FWF Medical Products has been manufacturing racks and carts for storage and delivery of oxygen cylinders since 1982.

We produce quality products and stock most items shown in our catalog. Items in stock will be shipped the same day if order is received by 2:00 pm EST.

Our customers have my personal guarantee on all FWF manufactured items. If you are not satisfied with the quality, just call us for a return authorization within two days of receipt. Should you need to return any unused items, please return them in their original packaging. Once the items are received you will then be issued a full credit within just a few days.

As a manufacturer, Falls Welding & Fabricating, Inc. is capable of producing custom made products and contract manufacturing. If you have a specific project you wish us to quote or build, please contact us.

FWF Medical Products prides itself with a very dedicated staff and excellent customer service. Please give us the opportunity to serve you. We appreciate your business.

If you have read this please call us with your order and say "I read it" and we will give you a one-time 2% discount on your order. Remember, buy "American Made."

Sincerely,

Ross R. Holden
President

email: rholden@fwfmedicalproducts.com

Experience

FWF has been manufacturing metal products since 1942. We continue to draw upon our knowledge and fabricating experience to provide you with proven products.

Value

Not always measured by the bottom line but by the way the item performs and the support provided to the user. We aim to provide you with products that represent unequaled value and are long lasting.

Manufacturing Capabilities

We apply reliable manufacturing methods. We have a stable experienced manufacturing workforce. The combination of talented manpower and reliable machines and methods, means products produced consistently to the tolerances required for proper performance.

Quality

When it comes to protecting your investment, quality should not be compromised. FWF will continually upgrade its manufacturing resources to provide you products of consistent high quality and durability.

Delivery

FWF has made a commitment to respond quickly to your delivery requirements. Most items are stocked at all times for immediate shipment. However, items out of stock will be shipped within ten working days unless notified otherwise.

Warranty

FWF manufactured items will be replaced if due to poor workmanship. Other products sold by FWF will fall under manufacturer's warranty.
